

FOR IMMEDIATE RELEASE

CHICAGO – February 1, 2023 – [North American Steel Alliance](#) (NASA) announces the addition of our newest Operational Supplier, Greenway Steel to the Co-op as of February 1st, 2023.

Greenway Steel advocates for a sustainable global steel industry, the metals supply chain, and manufacturing. They provide industry solutions in support of Greenhouse Gas Emissions Reduction Strategies, knowing your carbon footprint, as well as supporting risk management, with offsetting and REC solutions.

“The team at Greenway Steel are excited to join the North American Steel Alliance, as a Preferred Operational Supplier. When we think of sustainability in our metals supply chain industry, we have much respect for the high quality, independent, Member-Owners of NASA. Truly focused on sustainability, many of these companies represent multi-generational family involvement. And we consider it a great responsibility to develop solutions, and provide service, in support of their long-term success.” - Randy Charles, Founder.
