

FOR IMMEDIATE RELEASE

CHICAGO – February 1, 2022 – [North American Steel Alliance](#) (NASA) announces the addition of our newest Operational Supplier, U.S. Lubricants to the Co-op as of January 1st, 2022.

[U.S. Lubricants](#) started in 1976 with the first oil blending facility lab and is a division of U.S. Venture, Inc., a privately owned leader in the distribution of fuels, passenger and commercial vehicle tires and parts, and lubricants. They are a supplier of industrial and metalworking lubricants to leading OEMs, manufacturing plants, machining centers and other metalworking operations across the upper Midwest. U.S Lubricants provides a comprehensive range of products and support services relating to industrial lubrication, all expertly woven into customized solutions that help customers assure the health of their manufacturing equipment, reduce unpredictable downtime, and extend the productive life of machinery.

“The U.S. Lubricants team is pleased to join the North American Steel Alliance. We look forward to serving Member companies with our comprehensive lubricant offerings, commitment to quality, and full-scale support.” - Tony Springer, VP of Sales
