

## FOR IMMEDIATE RELEASE

**CHICAGO – March 11, 2024,** – [North American Steel Alliance](#) (NASA) announces the addition of our newest Operational Supplier, Parent Petroleum, as of March 1, 2024.

Parent Petroleum, a family-owned business, is a premier supplier of fuels and lubricants. Their fuels division specializes in the service and sales of fuel products to retail, commercial and industrial customers. It also offers comprehensive fuel branding programs which enables customers to convert their existing or new ground-up facility to a more competitive brand. Additionally, they have 150 years of lubricant knowledge and are well versed in fleet, commercial and industrial lubricants. STLE certified lubrication specialists are also available to provide technical support ranging from product recommendations to lubrication consulting service.

“We are grateful for the opportunity to join NASA and are excited to offer our expertise in fuel and lubricants to enhance your operational efficiency.” – Adam Del Rio, GM of Sales and Marketing.
